- 1 The inherent worth and dignity of every person;
- 2 Justice, equity and compassion in human relations;
- 3 Acceptance of one another and encouragement to spiritual growth in our congregations;
- 4 A free and responsible search for truth and meaning;
- 5 The right of conscience and the use of the democratic process within our congregations and in society at large;
- 6 The goal of world community with peace, liberty, and justice for all;
- 7 Respect for the interdependent web of all existence of which we are a part.
